KRISHNA REALTORS

YOUR WAY TO PROPERTY AND PROSPERITY

ABOUT US

Krishna Realtors is a forward-looking real estate company based in Kolkata. It prides itself on being one of the largest vertically integrated real estate services in Kolkata. It strives to provide seamless Infrastructural Development that can be compared with only the very best. It is a team of highly skilled professionals with reputation, integrity and unflinching loyalty.

Today Krishna Realtors is a one-stop shop for all kinds of property needs - land, apartments, commercial spaces, Joint Venture, on both for residential and commercial property and well has on rentals too .

Our clients - owners, investors and occupiers of real estate stand at the forefront of everything we do. Whether it is the acquisition or disposition of property; managing a single asset or a multi-national portfolio; or facilitating the design, construction and move of a new corporate headquarter - we never forget that the client deserves the best deal.

That's why we focus on our clients' overall business and real estate objectives. Not just the single transaction. We are their strategic advisors and we support all of their needs through property and land sales and leasing, corporate services, appraisal/valuation, research and consulting services. A wide spectrum of projects to suit budget and location preferences, combined with a commitment to customers, for its transparent and quality dealings, with both builders and buyers.

“Perfect property solutions, rooted to the principles of honesty, sincerity and custom service.”

WHY US

The moment you appoint us as “Property Management Group” you begin to feel the following differences:

-  You stop spending time with the customers & start Spending more time in planning for the betterment of the project.
-  You may stop running your business by the clock but our office remains open till the customer there, 365 days a year.
-  Our executives have been structured/trained to deliver detailed information about the project while saving your valuable time and efforts.
-  Existing database of various customers from IT Industries, MNC companies, Banks, Corporate Houses, Govt. Offices will help to lead the project.

OUR VISION

Trust

We resolved that our word would be our bond. Result: delivery as per promise.

Transparency

We would tell the customer the complete truth. Result: an informed decision.

Quality

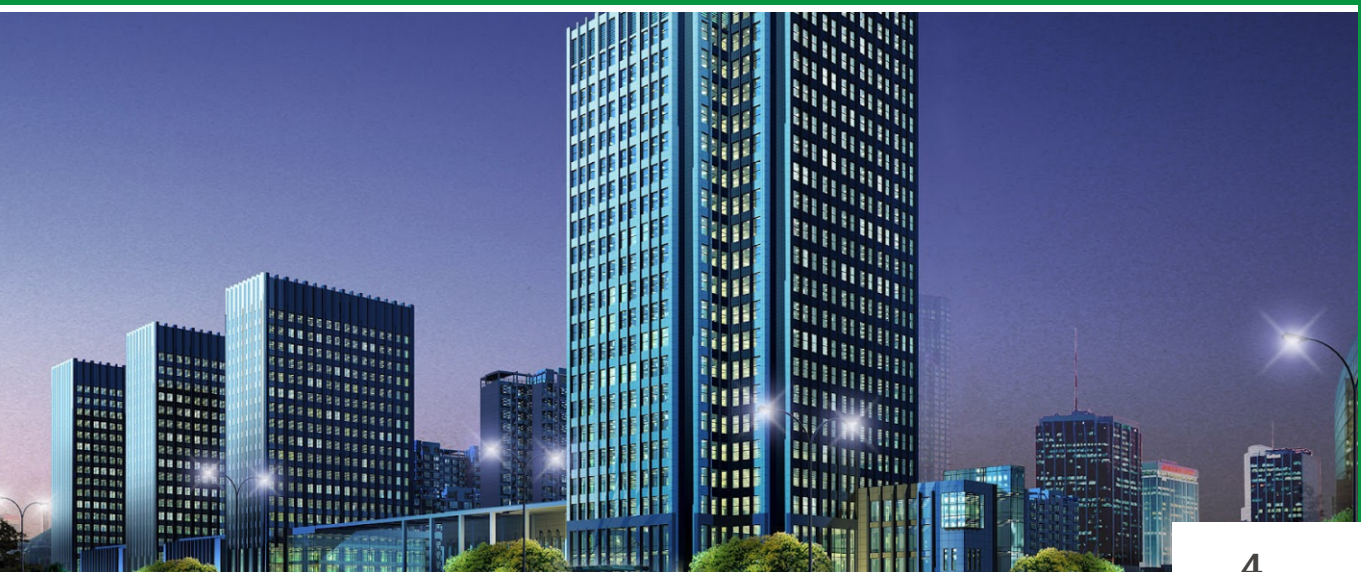

We provide high quality customer service. Tailor made to each customer's needs.

Responsiveness

Complete real estate solutions are delivered with lightning speed to save time for the clients.

Client Focus

Our Client comes first because they give us the reasons for being.

OUR MISSION

“Ideas create, values protect’ is how we define what Krishna Realtors believes in. But when we say values protect’ what do we mean? Here’s a handy guide to the values and principles we will live by and live up to.”

We will be a Thinking Organization. We will constantly bring 'thought' to everything we do. Our clients' and our own success depends on our ability to use greater ideation and more imagination in our approach.

We will be fair to our clients, our employees and all stake holders. We want our clients and our employees to be 'richer' for their relationship with us.
